

Stay safe on our site

Drive safely

- Stick to the **sites speed limit**
- Follow the **one way systems**
- **Check your mirrors** before moving
- Always keep **children under 16 and pets in cars**
- **Turn off your engine** when parked

Prevent accidents

- **Use the walkways** provided
- **No smoking** permitted on site
- **Report accidents / hazards / near misses** to site staff
- **No climbing** on gantries or in skips

Waste handling tips

- **Separating your waste** before coming to site saves you time and means everything can be deposited in the right areas
- Prevent unnecessary landfill by using the **Reuse containers** on site

Handle waste with care

- **No fly tipping** permitted on site
- **Waste dropped on floor is a hazard** pick it up so others don't get hurt
- **Wear gloves** when handling waste to prevent cutting yourself
- **Wear suitable footwear** to prevent injuries on our sites
- **No throwing waste** into skips from ground level - this could potentially hurt someone
- **Do not remove waste from the site** theft may lead to prosecution

Respect our staff

- Staff are here to help please **do not abuse them**
- If you need assistance, please **ask a member of staff**
