8. In the period of time, between the parental request and the initial start date at school, has the LA put in place education for the child under s19 Education Act?

9. If s19 is provided, how many hours education per week are put in place?

8. The LA does not provide education under S 19 where an application is being processed. S 19 is considered on a case by case basis should it prove difficult to allocate a school place outside of the standard process.

9. This is looked at on a case by case basis dependent on circumstances and need.
