	<p>This is a follow up request to FOI 16806</p> <p>Please can you provide more information on the support available including:</p> <ol style="list-style-type: none">1. At what point the support is offered2. What adjustments can be made3. How requests for reasonable adjustments can be made. <p>Alternatively, if you could signpost me to where this information is available to applicants?</p>	<ol style="list-style-type: none">1. Upon request from the applicant; or if there is evidence that some support may be needed as a result of a previous knowledge test or tests.2. This would all be dependent on what support the applicant requests. An example could be a one-to-one knowledge test, where questions are answered verbally, as opposed to in writing.3. These can be made at any time, usually via email in the first instance.
