

I would like the following information for the stretch of the A577 East of the junction with Moor Rd. For the last 10 years.

1. Any traffic census data, preferably showing the volumes and composition of that traffic by time of day  
[This information is held by Transport for Greater Manchester.](#)
2. Any information relating to road safety e.g. accident and incident data including where possible severity.  
[This information is held by Transport for Greater Manchester.](#)
3. Maintenance records  
[We resurfaced the A577 Orrell Road, Orrell \(Howards Lane – M6/M58 Access Road\) in May 2023. The total cost was £96,022.07.](#)
4. Any environmental data e.g. pollution levels, other health related information  
[We do not have any data.](#)
5. Any financial information showing expenditure on any part of this stretch of road.  
[See response to question 3.](#)
