1. I wish to know how much of Wigan council's council tax is set aside for staff pensions?

Response

The pension contribution budget for 2024/25 is £29.722m.

This is a total budget and is not funded specifically from Council Tax. The Council has budgeted external income supporting it's General Fund and HRA of £749m in 2024/25 inclusive of Council Tax, Government Grant, Business Rates. Other Grants and Fees and Charges. Council Tax represents around 20% of this.

2. And what is the yearly amount of council tax?

For 2024/25 the total budgeted Council Tax is £152.168m.
