

REQUEST 17432

From the period between 1st January 2024 and 1st January 2025, please can you release data showing:

1. How many illegal disposable vapes/e-cigarette/e-liquids were seized
2. How many cases have been identified, where a business is stocking, or in possession of, illegal vaping products

If you can provide additional detail, i.e. what types of businesses they were or about how the disposable vapes arrived in the UK, that would be helpful.

RESPONSE

1. 5831

2. 26

The type of shop is not recorded. There is no indication of how the goods arrived in the UK
