## **Request**

I would be grateful if you would provide details of any NR&SWA Streetworks opening notices for works outside 91 Whitley Crescent Thornhill Wigan Greater Manchester WN1 2PT.

Damage has been caused to BT duct and I am wanting to claim for the repair costs against the responsible party.

As the damage was not service-affecting, it may have been caused some years prior to discovery on 07/05/2024 so I would be grateful if you would check your records as far back as possible please.

## **Response**

Please see attached csv file providing the information requested.
