Request

Please could you send me the details of amount of immigrants have come to Wigan and what housing has been given to them.

Clarification received:- Asylum seekers who have come to the area 2020 to 2024 also the sex of migrants

Response

This isn't data that we hold. The Home Office oversee the processing of asylum seekers who are housed by the Home Office. Once an Asylum claim has been approved the individual would move to refugee status which means they are legally entitled to remain in the UK and settle wherever they choose.
