

Please provide the following information in relation to the financial year 2023/24.

By 'budget' we mean the total funding pot for drugs/alcohol / substance misuse, so please include in your calculations any drug/alcohol / substance misuse grant funding that you received and any one off funding, along with your core funding.

- | | |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>1. How much money was spent from the drug and alcohol / substance misuse budget on the provision of support to the family members / carers of people who have a drug and/or alcohol issue?</p> | <p>The total budget for the Integrated Drug and Alcohol Treatment Contract including grant funding is £7,994,060. This is an integrated service therefore cannot be broken down by family member/carer provision.</p> |
| <p>2. What percentage is this of the total drug and alcohol / substance misuse budget?</p> | <p>As above</p> |
| <p>3. How many Full Time Equivalent posts (funded from the drug/alcohol / substance misuse budget) are dedicated to the provision of support to family members / carers of people who have a drug and/or alcohol issue?</p> | <p>We commissioned an Integrated Drug and Alcohol service which includes the provision of support for family members, carers and concerned others.</p> |
| <p>4. How many family members / carers of people who have a drug and/or alcohol issue were supported by the provision of services funded from the drug and alcohol / substance misuse budget?</p> | <p>Data is not held by Wigan Council.</p> |
