

**Request**

Can you please send me the grant terms and amounts from the MOD with regards to what the funding was to be spent on in regard to Molyneux House, which fund it came from and exactly how much was funded from all parties.

I would also like to know what needs to be paid back to the MOD if the facility is not used for AFC support i.e. is there a claw back?

**Response**

The grant was received in 2017/18.

Due to the time lapsed since receiving the grant, and our document retention policy, it has not been possible to locate the original grant agreement.
