

- 1. How many children are currently in temporary accommodation as of the 1st of November 2024?
- 1 279
- 2 The breakdown of these children in educational categories:
 - a. How many are in primary education?
 - b. How many are in secondary education?
 - c. How many are registered as being 15 years of age?
- 2a 124 (this is children aged between 4 and 11 years of age)
- 2b 50 (this is children aged 12 16 years).
- 2c 10.

Please note that this data is based on age ranges, we are unable to confirm if a child attends primary or secondary education, and there may be cross over in that an 11-year-old, may actually be in secondary education. This is not information we will hold therefore have complied the data based on school ages.

- 3 For children currently on your homeless waiting lists:
 - a. How many are known to have health conditions?
 - b. How many are registered as disabled?
- 3. We do not hold a "Homeless waiting list" there is a Council waiting list for accommodation. However, this information is not captured in any form of reporting, as of 5/11/24 we have 364 families open to the service, we would have to manually audit cases to confirm those details which we would not be able to complete in the time limit for this return. This would take at least 30 minutes per case = 182 hours.
- 4 Spending on temporary accommodation from 1st November 2023 to 1st November 2024:
 - a. Total amount spent on temporary accommodation.
 - b. Breakdown of spending on different types of accommodation (e.g., hotels or B&Bs, private landlords, council-owned properties).
