Request

Please could you provide an estimate of how many children in your local authority who will take:

- 1a) GCSEs
- 1b) AS Levels, and
- 1c) A Levels

(in state-funded schools or colleges in 2025, who have been unable to attend school or college for any length of time since September 2023 due to the presence of reinforced autoclaved aerated concrete in school buildings)

Response

We do not hold this information but we can direct you to publicly available data on those schools that were RAAC affected -

[RAAC: management information - GOV.UK](#)

We are not aware that any days were lost to this issue but to confirm, we would suggest contacting any affected schools individually to request this information.
