

REQUEST 17306

Could you please provide estimates of:

1. The number of children currently learning in temporary school buildings in your local area;
2. The amount of money that has been spent on temporary school buildings since 1 July 2020 in your local area.

RESPONSE

Unfortunately, we do not hold this information as individual schools manage and programme classroom usage.

The Council only hold information on the schools they are responsible for and therefore we cannot respond for the local area.

However, we can confirm that £1,825,126.90p has been spent on the installation of temporary accommodation at Council managed education stock since July 2020.
