

Please can I be provided with the following information:

1. Should you use one - please can you inform me of the procurement/supplier network framework that you would tender on to source the service provider when IT recycling and hard drive destruction services are required at Wigan Metropolitan Borough Council

Wigan Council went out to market with an open dialogue tender for a managed IT service partner which includes this service. This was awarded to Agilisys with a contractual start date of Feb 2024 for a period of 10 years.
2. Should you not be required to put out to tender via any procurement/supplier network/framework for computer recycling and hard drive destruction services, please can you inform me as to how prospective service providers/suppliers can make a proposal of service for the decision maker(s) consideration?

As per Q1 response
3. Please can you inform me as to the name and email address for the person(s) that manage the IT asset recycling and hard drive destruction and also the name and email address for the person(s) responsible for making the final decision as to who Wigan Metropolitan Borough Council decide to use for ITAD and HDD services?

Agilisys Ltd manage the day-to- day service
