

Request

Please provide weekly Housing Benefit eligible rent levels paid since April 2024 for all supported accommodation in the Borough (and clarify if these are supported but not exempt and supported exempt).

If possible, please could you show the total/gross weekly rent split between the core rent, eligible and ineligible service charges.

If you cannot provide this, could you give the highest rent paid in these categories.

Response

We are unable to report accurate information retrospectively on this data. *We can, however, provide current information as at 08.10.2024.*

We are currently unable to split the information down into supported only claims as we do not record those separately.

We are also unable to break down the core rent. The total is inclusive of core rent and service charges.

The current highest weekly entitlement for exempt accommodation as at 08.10.2024 is £884.92
