

## Request

I would like to request the following information:

The amount of money spent on road closures for events over the last 12 months. I would like the information to be broken down month-by-month with details for every event when the roads were closed. I would also like to know how much money the road closures cost the council

## Response

| Event                                 | Date       | Cost       |
