

I am looking for information regarding driving offences in your area.

Specifically, I would like a breakdown of all driving offence fines given out in 2023 and so far in 2024, including:

- a list of the offences committed in 2023 and to date in 2024 (separated per year)
- a list of the fines associated with each offence
- total amount collected in fines in 2023 and to date in 2024 (separated per year)
- total number of offences in 2023 and to date in 2024 (up until records allow) (separated per year)

Wigan Council do not currently enforce moving traffic offences therefore do not hold any data regarding driving offences.
