	<p>Could you please tell me the total funds for the redevelopment of leigh indoor market and how much of this money has been paid to next phase for their involvement.</p> <p>Is this money also covering the structure test and work already going on within the market</p>	<p>The funding allocated for the redevelopment of Leigh Market is £3,082,551. This comprises £2,458,801 Levelling Up funding, £123,750 Share Prosperity funding and £500,000 Council contribution.</p> <p>The Next Phase commission is included within this, as is structural and other survey work which is being undertaken to inform the scheme. As Next Phase have only recently commenced their commission, they have not yet received any payment.</p>
