

This is an information request relating to council housing projects and infrastructure projects of national significance.

Please include the following information for the financial years 2022/23 and 2023/24:

1. The total number of planning applications submitted for all housing projects under the program
2. The current status of these applications categorised as approved, pending, or rejected. Include the housing type for example, social rent, shared ownership, or first-time buyer schemes etc
3. The total number of infrastructure or housing projects that have been called in as **infrastructure projects of national significance** by the government for the following time periods
 - July 5th, 2022 - July 4th, 2023,
 - July 5th, 2023 - July 4th, 2024 and
 - July 5th, 2024 - present day

This information is available via the Council's website. Please click on the following link
