

Request

1. Please can you provide me with the details of all **CSE** that has happened in Wigan Borough that are held on record. This includes mental, physical and sexual abuse of those under the age of 18.
2. Additionally, those who were in the care of WBMC should also be included in a separate format

Timeframe – “as long as records allow.”

Response

Please note the local authority holds data and have provided data on the count of occasions were children have been identified by the local authority and partners as at risk of experiencing of harm caused by sexual exploitation.

We can provide this data from 2015 onwards.

- 1) In total there have been 1824 occasions were children have been identified at risk of CSE since 2015 to date.
- 2) 331 of these episodes were for children in care of local authority at time the risk was identified.

*Please note children can be identified at risk on separate occasions so this count is not a count of individual children it is a count of occasions.
