

REQUEST 17513

RESPONSE

1. How many temporary staff/contractors were employed by the Council's Planning Department during the last two years (January 2023 until January 2025). This includes planning and enforcement staff at all grades (i.e validation, trainee, planner, senior planner, principal planner, team leader and DM/Service managers). Please also specify the number of contractors to each level
2. How much money was spent by the Council on temporary staff/contractors within the planning department during the last two years (January 2023 until January 2025).
3. Do you have a managed service provider for the provision of temporary agency staff? If so, please provide the name and the date the contract ends
4. If you don't have a managed service provider in place for the provision of temporary recruitment agency staff, which recruitment agencies do you use and on what basis were they awarded?

Principal Planner – 1
Senior Planner – 4
Planning Technical Support Officer – 1

Total = 6

£199,844 (spend from Jan 2023 to Jan 2025)

Yes – Reed
