REQUEST 17531

I would like to know if Wigan Council have issued a section 114 notice, and if so what will be the percentage increase over the current 5% threshold?

Also, if this notice has been issued what are the details of the local referendum that needs to take place before the 3rd of May? Which is required if a increase of over 5% is being asked for.

RESPONSE

I can confirm that Wigan Council have not issued a section 114 notice.
