

Request

- 1) Can you advise how many residences on Whitley Crescent have applied for and received permission to carry out business activities from domestic dwellings- this request doesn't include office administrative activities The request includes those carrying out business activities as part of recent building developments and planning approval.

- 2) Has Wigan MBC approved and inspected those dwellings for health and safety, any licensing and insurance requirements

Response

This information is accessible via the Council's website at the following link. Please utilise the search function available on this webpage accordingly:

[Search and comment on planning applications](#)

Support and guidance on how to search the information the Council holds on this section of its website is available on the above webpage, but is also provided in the accompanying 'Public Access User Guide' PDF document and via the link to the relevant page on the Council's website below:

[Idox PA for Planning User Guide](#)

The Council's Licensing, Environmental Health and Planning Enforcement teams have received no requests to inspect any properties.

Should you require any further information on this matter then you may want to contact the Health and Safety Executive (HSE) at the link below. For your reference, the HSE is Britain's national regulator for workplace health and safety, summarising their role (from their own 'mission and priorities' statement), their purpose is to protect people and places, and help everyone to lead safer and healthier lives.
