

REQUEST 17534

RESPONSE

Please can you provide the following information:

1. The total number of CCTV cameras currently installed and operational within the area governed by Wigan Council
2. The number of CCTV cameras that have been procured from Chinese manufacturers or suppliers.
3. Details of any contracts or agreements with Chinese manufacturers or suppliers for the procurement of CCTV cameras, including the names of the companies involved and the dates of the contracts.

All procurement of cameras is through our maintainer. As of September 2024, our previous contracted maintainers were Baydale. As we are currently in the process of going through the procurement process and going out to tender for this contract, we are in the interim being supported by Cress Security.
