## Request

As it's been reported in the news that councils across the country have spent £141m on services for migrants such as providing PlayStations, yoga classes, DJ lessons and circus skills, could you supply me with a list of any similar activities that was provided by the council and at what cost between 2016 and 2025

## Response

Wigan Council has not spent on any of the activities that you have listed.

Within the grant allocated by central government £1300 was spent on leisure/well being
