

Wigan[♥]
Council

I would like to make a request under the Freedom of Information Act. I am requesting information regarding the following two questions:

- 1) What policies, if any, does the council have in place for the sourcing and procuring of food produced in the United Kingdom for official functions and catering outlets?
There are no policies in place.

- 2) What proportion of food procured by the council in the financial year of 2023-24 was produced in the United Kingdom for: (a) official functions including, but not limited to, civic events and council meetings, and (b) catering outlets owned and/or managed by the council including, but not limited to, cafés?
Wigan Council do not hold this data. This information would be held by suppliers.
