

As of 19/2/2025:

- | | |
|-----------------------------------------------------------------------------------------------------------------------------------------------------|-------------|
| 1. The number of Education Health and Care Plans (EHCPs) maintained by the Authority. | 3664 |
| 2. The number of EHCPs for which pupils receive their education via Elective Home Education. | 41 |
| 3. For pupils under question 2, the number of which are overdue their most recent annual review*. | 9 |
| 4. The number of EHCPs where a pupil receives their education via Education Otherwise than at School/College. | 13 |
| 5. For pupils under question 4, the number of which are overdue their most recent annual review. | 2 |
| 6. Does the Authority currently have a team/officer whose purpose is specifically to process the annual reviews for pupils under questions 2 and 4? | No |
| 7. Does the Authority currently have an 'annual review backlog' team? | No |
| 8. Does the Authority currently outsource to a third party that is commissioned to process annual reviews? | No |

* Specifically, this means that the EHCP has not been reviewed in the last 12 months. For the avoidance of doubt, this means the Authority has not issued a decision letter to parents or young person which concludes the review process.
