

## Request

May we request the following information:

1. A concise list of corporate and commercial properties with postal addresses that are under the jurisdiction of the Metropolitan Borough of Wigan.
2. A list of names and contact details of personnel within the Metropolitan Borough of Wigan that assume responsibility for energy and carbon reduction within the local authority.
3. Information on the current status of energy and carbon reduction against goals that have been set for the Metropolitan Borough of Wigan.

We are currently working in association with Bolton Metropolitan Borough Council to enable them to measure and understand energy and carbon consumption within their corporate buildings

## Response
