

Request

Can you please tell me how many parking tickets have been issued in respect of illegal parking on the Wallgate cycleway between Wilcock St and Miry Lane in the last 12 months.

*If it isn't possible to break down to this level of detail then a total for the whole of the cycleway will suffice.

Response

17 PCNs have been issued on Wallgate for footway and verge parking which includes the cycle way between Wilcock Street and Miry Lane between 01/01/24 and 31/12/24.
