

Request

1. Could you provide me with a list of nurseries, primary schools and secondary schools in your local authority, please?
2. For each educational setting, could you provide me with:
 - The year in which the setting's building was built,
 - If it is a single-building setting; or, if the setting is made up of multiple buildings,
 - The year in which the oldest building in that setting was built

Response

1. Please find lists attached for nurseries, primary and secondary schools in Wigan.
2. We do not hold records on the precise age of school buildings in Wigan Borough. We do not hold records on the building settings of Diocese academy, free or private schools and nurseries. We have indicated if community school settings are single or multiple buildings.
