

Request

Under the Freedom of Information Act 2000, I would like to request the following data regarding wellness businesses in Wigan:

The number of wellness businesses & saunas

1. The number of businesses operating in the wellness sector - SIC code 96040 - opened in the last two years.
2. Specifically, the number of saunas that have opened in your local area in the last two years.

Response

The Standard Industry Code SIC code 96040 relates to Companies House categories.

We cannot collate any of our records to that code as we do not record this.

As we do not record our records with this code we are unable to report on this.
