

REQUEST 17740

1. How much is the full, undiscounted penalty for a bus **gate** breach in your authority (i.e. Driving an unpermitted vehicle through a bus gate)?
2. How many bus **gates** and bus **lanes** do you operate in your authority?
 - Please break these down into separate counts of bus lanes and bus gates.
 - If, for cost reasons, it would prove too expensive to provide counts for both, please only provide counts for bus **gates**.
3. For the year 2024, please provide the number of bus **gate** breaches recorded in your authority.
 - For clarity, I am requesting only bus **gate** breaches rather than bus **lane** breaches.
 - If this is not possible, please provide the total number of bus lane and gate breaches recorded in the year 2024.
