

REQUEST 17750

RESPONSE

1. Is your local authority running a Housing First programme? If so, how many?

If yes, please complete the following:

2. Is your Housing First scheme run by the local authority or by an external partner?
3. How many individuals can your Housing First programme(s) support at any given time?
4. How many individuals are either:
 - a. Currently on a waiting list for Housing First support?
 - b. Assessed as eligible but not currently receiving support due to capacity constraints or any other reason? If you cannot provide this, please still provide 4a
5. Please provide the most up to date cost benefit analysis (CBA) or cost estimate analysis (CEA) estimating the costs of support provided by your Housing First service(s) and the value of benefits delivered. For this request, please provide the information including itemised costs, benefits, and any other underlying data including discounting used and your methodology. If you have not conducted a CEA or CBA please provide any cost estimates and any benefit estimates that you have. Please prioritise costs if you cannot provide other information. For this request, please provide the information including estimation methodology in a word or pdf document with underlying data preferably as .xlsx or .csv. If you cannot provide the underlying data, please still provide the methodology.
6. What is the current length of the funding period for your Housing First provision?
7. How is your Housing First programme funded? For example, local authority homelessness funding (through pots like the Rough Sleepers Initiative or the Homeless Prevention Grant), local authority funding via adult social care (e.g. adult social care

1. No.

Wigan Council does not directly operate a Housing First programme so we are unable to answer these questions. Greater Manchester Combined Authority (GMCA) commission and oversee a Housing First programme across all Greater Manchester Local Authorities.

or public health) and/or charitable grants or partnership.

8. What is the primary source of housing for your Housing First programme? For example, council housing, housing association, or private rented sector.
