

Ambassador 2023-24

Hello, I am Lucie!

MEET YOUR AMBASSADRESS FROM ANGERS

I am very honoured to be the Ambassador from Angers I am very excited to take part in the twinning's projects. For the next year, I hope to strengthen the relationship between Wigan and twin town Angers by developing relationships with schools and community groups. I am also looking forward to working on a range of cultural projects over the next year such as setting up an artistic residency exchange by getting Wigan and Angers residents involved into those projects. This year, I plan on hosting the French Week and celebrate French culture all around the borough in April 2024.
